

15" FHD Display

Hardware Features

- 15" LED LCD Touch Open Frame Monitor
- 1920×1080 Full HD Resolution
- 315 nits LCD Panel Brightness
- PCAP (TouchPro™ Projected Capacitive) 10 Touch
- 178°/178° Wide Viewing Angle
- HDMI and VGA Signal Inputs
- Contrast 800:1
- Response time 25 ms

Mechanical Properties

- 3.1kg weight
- 4.6 kg packaged weight
- 394.7 x 242.0 x 43.4 mm
(Width x Length x Depth)

Electrical Properties

- 12 VDC supply voltage
- 30 W power consumption (@full load)

Software Features

- Windows / Linux OS compatible

Environmental Features

- Operating temperature between 0 - 40 °C
- Storage temperature between -20 - 60 °C
- 20% - 80% operating humidity
- 10% - 95% storage humidity
