

19" FHD Display

Hardware Features

- 19" LED LCD Touch Open Frame Monitor
- 1920×1080 Full HD Resolution
- 225 nits LCD Panel Brightness
- PCAP (TouchPro™ Projected Capacitive) 10 Touch
- 178°/178° Wide Viewing Angle
- HDMI and VGA Signal Inputs
- Contrast 1000:1
- Response time 14 ms

Mechanical Properties

- 5.1kg weight
- 8.2 kg packaged weight
- 479 x 285 x 40 mm
(Width x Length x Width)

Electrical Properties

- 12 VDC supply voltage
- 30 W power consumption (@full load)

Software Features

- Windows / Linux OS compatible

Environmental Features

- Operating temperature between 0 - 40 °C
- Storage temperature between -20 - 60 °C
- 20% - 80% operating humidity
- 10% - 95% storage humidity
